

Summer Update 2018

We have to tell you...we've been busy!

We hope your summer is going well. Our summer has been full of good news and we just couldn't wait until our Annual Newsletter in November to share with you! Since you have volunteered your time in some way or given a donation in the past year, we thought you would want to know...for the past year, we have served 50% more pregnant women!

Enclosed is our brand new magnet we include in our Hug 4U boxes as a small thank you for your support. Hug 4U's are handed out by partnering government programs, nonprofits and agencies who serve pregnant women. They are fun, hot pink boxes which contain small gifts and our referral card, encouraging pregnant women to call us. Check them out on our website under Community Agencies.

In the past few months. . .

1. We have continued to add to our referring agency base, including government programs and a local hospital.
2. We have been invited to join Larimer County's *Postpartum Depression Coalition* consisting primarily of government programs serving women.
3. We are enjoying partnerships for products and/or donations for our Care 4U gifts with these organizations/groups:
 - ♥ Scripture Lullabies
 - ♥ Nappie Project
 - ♥ Motherlove Herbal Company
 - ♥ Timberline MOPS group
 - ♥ Brickhouse Function Fitness Gym
4. We have just revised our website. Please check it out at www.afriend4u.org.
5. Our Board of Directors is in the middle of our strategic planning process to provide the infrastructure for our growth!

Thank you Donors and Volunteers!

What you do is making a difference in the lives of the women we serve. Because of your generosity and dedication, A Friend 4U continues to grow and serve more women in our community!

Sincerely, The Board of Directors
